

**Director of Maritime Affairs**  
**Chamber of Shipping of America**  
**Washington, D.C. (Hybrid Work Environment)**

The **Chamber of Shipping of America (CSA)** is seeking an experienced and strategic professional to serve as **Director of Maritime Affairs**, reporting directly to the President & CEO. CSA represents U.S.-based companies that own, operate, or charter vessels trading to, from, and within the United States.

**Key Responsibilities:**

- Represent CSA and its members before U.S. Executive and Legislative branches, including hearings and working groups.
- Engage with international maritime bodies such as the International Maritime Organization, BIMCO, and the International Chamber of Shipping.
- Monitor and analyze domestic and international regulatory and legislative developments affecting the shipping industry.
- Provide customized regulatory compliance guidance to CSA members.
- Develop and deliver educational and informational programming for key stakeholders.
- Manage and maintain the CSA website and CRM platform.
- Coordinate CSA's annual awards programs and assist in planning CSA board and policy meetings.

**Qualifications:**

- **Education:** Bachelor's degree in marine transportation, marine engineering, or a related field; advanced degree (MBA, MS, JD) preferred.
- **Experience:**
  - Extensive background in technical and regulatory issues within the commercial shipping industry.
  - Demonstrated experience with U.S. maritime legislation and international maritime regulations.
  - Direct experience in HSQE leadership or equivalent in a maritime operating environment.
  - Sailing experience and/or is preferred.

**Application Process:**

Qualified applicants should submit a cover letter and résumé highlighting relevant experience to **Sean Kline** at [SKline@CSAShipping.org](mailto:SKline@CSAShipping.org). **Application deadline: August 1, 2025.**
